

YOU'RE NOT TYPICAL! (NEITHER ARE WE!)

Do you feel like no one loves you? Are you searching for love? Are you lonely? Do you act like you have it all together, but don't? Do you know God, but don't feel Him in your life? Have you heard of God, but don't understand Him or believe in Him? Do you hate God? If you answered yes to any of these questions and are a teenager, I want to invite you to our Extreme Youth Friday nights at Voice of Praise Worship Center starting September 7th at 7:00 pm.

This isn't your typical youth service. This is an open mic service where teens can share poetry, art, music, dance, a testimony, thoughts, or just sit and listen. Come and be a voice!
